Report of National Convention of The Woman's Benefit Assn.

The convention held in Miami, October 21, 22 and 23 was not just another meeting. This was a historic milestone, marking 54 years of steady progress and benefits to its many members, both women and children.

The highlights of the convention were the banquet for the winners, only, and the Queens Ball. The ball was given in the Civic Auditorium, but even this large place was inadequate to accommodate 8,000 women members, their families and friends. Each of the 48 states, the Province of Canada and Hawaiian delegates. The National Queen (from the State that had the largest net gain of members) was Miss Ruth Sable of Detroit, Michigan. Mississippi State Queen was Miss Melba Burdine of Biloxi. In order to be eligible to present a queen, each state had to show a net gain in members. Escorts following the Mississippi Queen, from Bay St. Louis were Mrs. Anna Trapani, Mrs. Helen C. Biehl, and Miss Louise Layard. Other members attending the convention were Mesdames Elizabeth Jacobs, Ense. Bopp, Lizzie Capdepon and Anthony Trapani.

The entire group from Bay St. Louis flew by Pan-American Clipper to Havana Cuba for three days sightseeing and shopping, returning on the Clipper, Monday, October 24th.

A breakfast was given for the winners from the Southern States who were joint hostesses for the Convention: Mississippi, Alabama, Georgia, Louisiana and Florida. Leader being our District Field Director, Mrs. Pearl H. Croy, Birmingham, Ala. Those attending the breakfast from Bay St. Louis were Mesdames Bopp, Biehl, Trapani, Jacobs, and Capdepon. Minature Flamingos were the souvenirs.

Sight seeing trips to St. Augustine, Silver Springs, Bak Singing Tower, Key West, the Orange Groves, Seminole Indian Villages, Rare Bird Farms, Tropical and Oriental Gardens, John Ringling Museum of Art, were some of the places visited and in Cuba, the Capitol, Morro Castle, Vinatera Distillery and Sloppy Joe's.

The next convention will be held in June of 1948, in San Francisco California.

W. B. A. planned a Golden Jubilee in 1942 but due to the World Conflict it was not held so now a Peace Jubilee is in the making. All members and prospective members must attend meetings in order to start working for this greatest of all events for our association. We have but 20 months from November 1st, in which to prepare.

Miss Catherine McFarlane, director of special community services, State Department of Public Welfare, visited the county welfare office here on Wednesday afternoon for a consultation visit with the county welfare agent, Mrs. Eunice Casanova.

HALLOWEEN PARTY

A Halloween party filled with thrills and chills was that given the sixth grade at St. Joseph Academy, at which Sister M. Cornelius assisted by Mrs. Braud, was hostess.

Some of the games played were, the unscrambling of Jumble Words; the drawing of papers upon which were written stunts, which the contestants were required to enact; bows of crepe paper were given each person and she, in turn had to pin the bow on the witch.

AND—in the midst of all the fun, a real witch came gliding by the windows and into the room, weaving her way in and out of the rows of desks and finally pausing for a moment beside Sister M. Cornelius, before going away to scare others.

Delicious refreshments were served and everyone was having such a grand time, the party lasted way beyond the school hours.

S. J. A. Parents Club Meeting

Funeral of John August Carver

The regular monthly meeting of the S. J. A. Parents Club was held in the school library on Tuesday, Nov. 3rd. Twenty-eight members were present. Reports were read by the secretary Mrs. L. S. Elliott and the treasurer, Mrs. Roger Boh.

The names of members present at two previous meetings, duly called and checked, were placed in a sealed box, to remain there until the May meeting, when one will be drawn; that lady to receive the beautiful rock crystal bowl, donated by Mrs. Vic Lizzana. This is an added incentive for the members to be present at the meetings, for the more meetings attended the greater chance the name will have of being drawn.

The awning for the protection of the children on rainy days, through the untiring efforts of Mrs. J. C. Braud, has been secured. It has been donated by Mr. A. P. Schiro, Jr., of New Orleans. The Sisters and parents are deeply grateful to Mr. Schiro and Mrs. Braud. It was requested that when calling for the children in cars, in rainy weather, the parents circle the yard until their car appears and that they do not park in the doorway. Thus other cars, whose occupants have already appeared in the doorway, will be allowed to be filled. If this courtesy is observed, all the children will have a quicker chance of leaving. Since this much of the year's goal has been attained, it was decided that there is need of at least one hundred lockers for the girls' use. This has been added to the goal of paving the driveway, toward which the club is working.

Final plans were made for the Spaghetti supper to be given, Wednesday, November 13 at the K. C. Hall. Mrs. Roger Boh, chairman, read reports on the various committees working toward the success of the supper. Volunteers were asked for, and received; ladies to serve the meals. It is hoped everyone will attend and enjoy the supper. Price \$1 per plate, with beer and cold drinks. Tickets can be obtained from Mrs. Roger Boh, but if you do not secure them in advance, you may pay at the door.

A new feature was introduced by Mrs. William Prewitt upon entering each member may deposit any amount desired in a small box. For each ticket she receives a numbered paper. At the end of the meeting, the amount in the box is equally divided, half going to the member whose number is drawn, and the other half into the treasury. Tuesday's meeting brought \$2.30 divided between the treasury and Mrs. Wm. Prewitt, whose number was pulled by Sister Cornelius.

Attendance prize was merited by Sister Pauline's room for having the largest number in attendance.

Friendly chatter and delicious refreshments were enjoyed during the social hour which followed the meeting. Cobostesses for the day were Mesdames Mrs. Luke Saucier and Mrs. Roger Boh. Those for the December meeting will be Mesdames Joan Dematias, Argie Mitchell and Wm. Prewitt.

To All Legionaires And Veterans of Hancock County

John Rutherford, Commander, Local Post of American Legion is in receipt of the following letter from the district commander E. C. Brou: "We will have our annual November 11 Roundup by Auto this year, as has been customary in the past years."

"I will arrive in Bay St. Louis at 2:00 p.m. on that day and will expect to meet you and your Post Delegation at the Post Office at that time to pick up the membership cards and checks, for which you will receive a written receipt."

"Let's show the Mississippi Department just how good a bunch of Legionnaires we have in Bay St. Louis by obtaining as many 1947 membership cards as possible by November 11 and I am certain that your post will win the race in Group VII."

Commander Rutherford says to come out and show what Hancock County has done and can do in the way of membership. Don't let your County down. Win the race in Group VII."

Girl Scouts Attend Mass In Body

On Sunday morning, November 3, Girl Scouts Troop No. 2 of St. Joseph Academy attended Mass and Holy Communion. After Mass the girls met at the scout house with Mother M. Blanche and Sister M. Cornelius as their guests.

Sister M. Pauline, leader and assistant leader, Claudia Strickland, presented the new scouts with their tenderfoot pins and the older scouts with a star, which they receive each year.

The young ladies then prepared, cooked and served breakfast before adjourning.

Meeting of N. C. C. W.

Regularly monthly meeting of the Bay St. Louis District of National Council of Catholic Women will be held in Pass Christian, on Wednesday, November 13th at 3 p.m.

The installation of the new officers will take place at this meeting, as well as matters of importance to be discussed.

KINGS DAUGHTERS PURCHASE AUTOCLAVE AND GAS MACHINE

At Cost of \$1540; Appeal To Public For Donations To Help Defray Cost

The Kings Daughters hospital has purchased an autoclave and sterilizer which will be used for sterilizing dressings, water, and instruments. The autoclave now in use is too small and inadequate. The cost of this is \$1540.

The hospital has also purchased a gas machine or surgical easor at a cost of \$127. In every hospital there are many procedures—dressings, lancing, abscesses removal of drains, etc., that are ideal cases for the easor. It does not require the services of an anesthetist, but can be controlled by the patient by pressure on the control bulb which delivers a definite quantity of gas each time it is pressed. An emergency Oxygen button is standard equipment. Analgesia is made doubly safe by this feature. In operation the dosage control is set and the hand belt given the patient. When the bulb is squeezed and the gas introduced into a small breathing bag the unit automatically stops flowing until the bulb is squeezed again. A safety valve prevents introducing excess dosage of gas.

Plans are formulating for further activities to be sponsored by the club. The next meeting will be once more at the home of Miss Maufra and the time will be Monday evening, November 11th at 7:30 p.m. Please make your checks payable to the Kings Daughters Hospital and please make them now and please make them liberal. This is one cause for contributions which should need no urging but should be regarded as a privilege.

Little Theater Membership Open For 1947

At a general business meeting of the Bay St. Louis Little Theater on Monday night, November 4, the following decisions were rendered by vote of the majority of the members present.

Membership for the year 1947 will be opened immediately and those wishing to renew membership or to join for the first time may do so by contacting Mrs. Adeline Knoblock, secretary.

In order to present better quality plays with higher royalties, and in order to enlarge back-stage facilities of the Little Theater Playhouse and secure badly-needed stage and lighting equipment, the membership fee will be raised from the too-low 1946 sum of three dollars a year to the sum of five dollars for the 1947 season.

It was the unanimous vote of the representative group who attended the business meeting that the practice of trying to present a play every month should be discontinued. Instead, it was recommended and voted upon that the pattern found to be best by the hundreds of thousands of Little Theaters all over America, and present a play every other month. In this way, both the cast and the stage crew will have more time for preparation and the members will be presented with performances of a more finished nature.

Mr. Frank Clark, Mrs. Dan Russell, Jr. and Mr. Joseph Perry were appointed as a nominating committee for next year's officers, and Mr. Rene de Montuzin, Jr., Mr. Frank Clark, Mr. David McDonald, and Mr. Richard Shadoin will serve as a committee to investigate the possibility of enlarging and repairing the playhouse.

Plans for the next play will be announced next week.

New Department Store Opening November 9th

One of the new business enterprises for Bay St. Louis, Perry's Department Store, will open for business on Saturday, November 9th. The store, located on the corner of Second and Main streets, will carry a general line of hardware, dry-goods, and electrical supplies, and will be equipped to do guaranteed repair work on electrical appliances.

Joseph Perry, the owner, has resided in Bay St. Louis for the past fifteen months and has taken an active part in community affairs. He formerly lived in California, where he graduated from the National Electrical School and for fifteen years had a position as electrical engineer. During the war he served the United States Civil Service as an electrical first class and was stationed in Newfoundland and in Pensacola. It was then that he became acquainted with Bay St. Louis and decided to make his home here.

It is to the advantage of Bay St. Louis to welcome new enterprises, and Mr. Perry's decision to open a business here is one more sign of progress in our community.

This program was in keeping with American Education Week.

Coast Sodality Holds First Sodality Social At St. Stanislaus

The first Coast Sodality Social was held at St. Stanislaus on Monday afternoon, November 4, with moderator Bro. Felician, Fr. J. Curley of Biloxi, Fr. J. Hannan, Pascagoula, Brother Ermon, Notre Dame in Biloxi and the officers—Prefect Jack Strong; V-Prefect Mary Lou LeBlanc, Treasurer, Dorothy Simons and secretary Dickie Curran, president.

The meeting was opened with a prayer by the prefect. Minutes were read of an officers meeting by Richard Curran. It was decided that the meeting would be held the first Monday of each month.

The theme for the evening was "Capital and Labor."

At the close of the business meeting, refreshments were served and a social hour was enjoyed with dancing as the form of entertainment.

Those attending were sodalists from Sacred Heart Academy, Biloxi, Miss., Notre Dame and Our Lady of Victories from Pascagoula, St. John's School, Gulfport, St. Joseph School, Pass Christian, St. Joseph Academy and St. Stanislaus of Bay St. Louis.

Funeral of Sylvaneous Moran Held Friday

The funeral of Sylvaneous Moran, who died suddenly at his home Wednesday of last week, was held from the Fahey Funeral Home on Friday at 2 p.m., with interment in Roten Bayou cemetery at Fenton and here was one of the largest funerals held. The large number of beautiful floral offerings bore mute testimony of the esteem in which Mr. Moran was held.

Serving as pallbearers were John Molere, Samue Cue, Walter J. Gex, R. J. Launer, Henry Nease, Buday Duro, Garfield Launer and Gerald Price.

Mr. Mikael Moran Speaker for Bay-Waveland Garden Club Meeting

The Bay-Waveland Garden Club will meet on Thursday, November 14 at the home of Mrs. L. T. Boyd is offering a rare opportunity to its members in presenting as guest speaker Mikael Moran, landscape artist, who has charge of the landscaping of the Luton country place on Bayou Phillip.

Mr. Moran will talk of the group on what can be done with your native shrubs and flowers.

This announcement should bring out all members of the club who may want to take advantage of this rare opportunity. Let's all meet at the club at Mrs. Boyd's in Nicholson avenue and hear Mr. Moran.

Mr. Moran has studied landscaping in England and Germany.

Forum To Be Held At Methodist Church

"Shall we Adopt Peace Time Military Conscription?" is the topic of the Forum to be held next Sunday, November 10 at 7:30 p.m. in the Main Street Methodist Church. Lieutenant Colonel John H. Cook, Jr. of the United States Marine Corps, will speak in favor of conscription and J. Lewis Henderson will speak in opposition to the idea. The question will then be open to discussion by those in the congregation.

David McDonald and Andy Grey will sit on the panel to represent respectively the points of view of a Veteran G. I. and a high school student.

The primary purpose of this and other forums to be held in the church is to stimulate our people to apply reasoned Christian principles to the problems confronting our Democracy.

Entertain At Assembly Period

The seventh grade pupils of Bay High entertained at a very interesting program at the assembly period on Wednesday, October 23rd. Sister Dorothy, Moderator of the Dramatic Club and a committee of old members judged their tryouts and a majority of the girls will be admitted to the club this year.

At 2:30 Thursday, October 24th, the students attended the penny party given by the Sixth Grade. The most popular booth was the "Goose," an extraordinary bird which at nickels and in return gave back a surprise gift. The children of the lower grades particularly kept him busy for at least two hours stuffing nickels down his bill as fast as he would take them. It is rumored about the campus that from the results of this activity the missions will be over a hundred dollars richer.

The Sodality has begun its sale of Christmas Cards. The cards are indeed very lovely. Each box contains 21 greetings and sells for \$1.25. Your cooperation with this

Engineer Examination
Announced By Civil Service

An Engineer examination was announced today by the United States Civil Service Commission for professional appointments in the Federal service in all branches of engineering. Positions in the department service in Washington, D. C., and a limited number of positions in the field-service-at-large, will be filled from this examination. The salaries range from \$3,397 to \$5,905 a year.

To qualify, applicants must have completed a professional engineering curriculum leading to a bachelor's degree in a college or university; or they must have had 4 years of technical engineering experience or appropriate education and experience combined. Applicants for the lower grade must also have had at least a year of professional engineering experience, while those for the higher grades must have had additional professional experience of a responsible nature. Graduate study in engineering may be substituted for 2 years of the required professional experience.

No written test is required; applicants will be rated on their training and experience. The age limits eighteen to sixty-two years, will be waived for persons entitled to veteran preference.

Applications must be received in the Commission's Washington office not later than December 3, 1946. Further information and application forms may be obtained from the Commission's local secretary, Mr. Andy Becker located at the Post Office, from most first and second class post offices, Civil Service Regional offices, or from the U. S. Civil Service Commission, Washington, 22, D. C.

Mary Ellen Ladner and Shirley Semedel of New Orleans spent the week end with their cousins Betty Ruth and Norma Johnson.

County Agent C. C. Stone and Mr. Warren Carver of Bay St. Louis met in the Gulfview School, Monday night with the farmers of the community and discussed with them the advantages of increasing acreage in sweet potatoes.

Taylor School Has Party

Hallowe'en was observed by the pupils of R. W. Taylor School with a program featuring witches, black cats, bats and ghosts. Those fortunate enough to be present to enjoy this performance were loud in their praise of these small actors, for some of them displayed wonderful talent.

At the conclusion of the program the traditional apple ducking, and biting apples on a string gave fun for all the children present.

Cake-candy and fruit punch were served and it is needless to say we all had a fine time.

Taylor School pupils are very fortunate to have so many kind friends, ready to contribute to the enjoyment of all school holidays and for their generous aid we say thank you.

Italian Society Elects
Officers

The Italian Society of the Immaculate Conception met on Tuesday, November 5 at the Boy Scout House for the purpose of electing officers for the ensuing year.

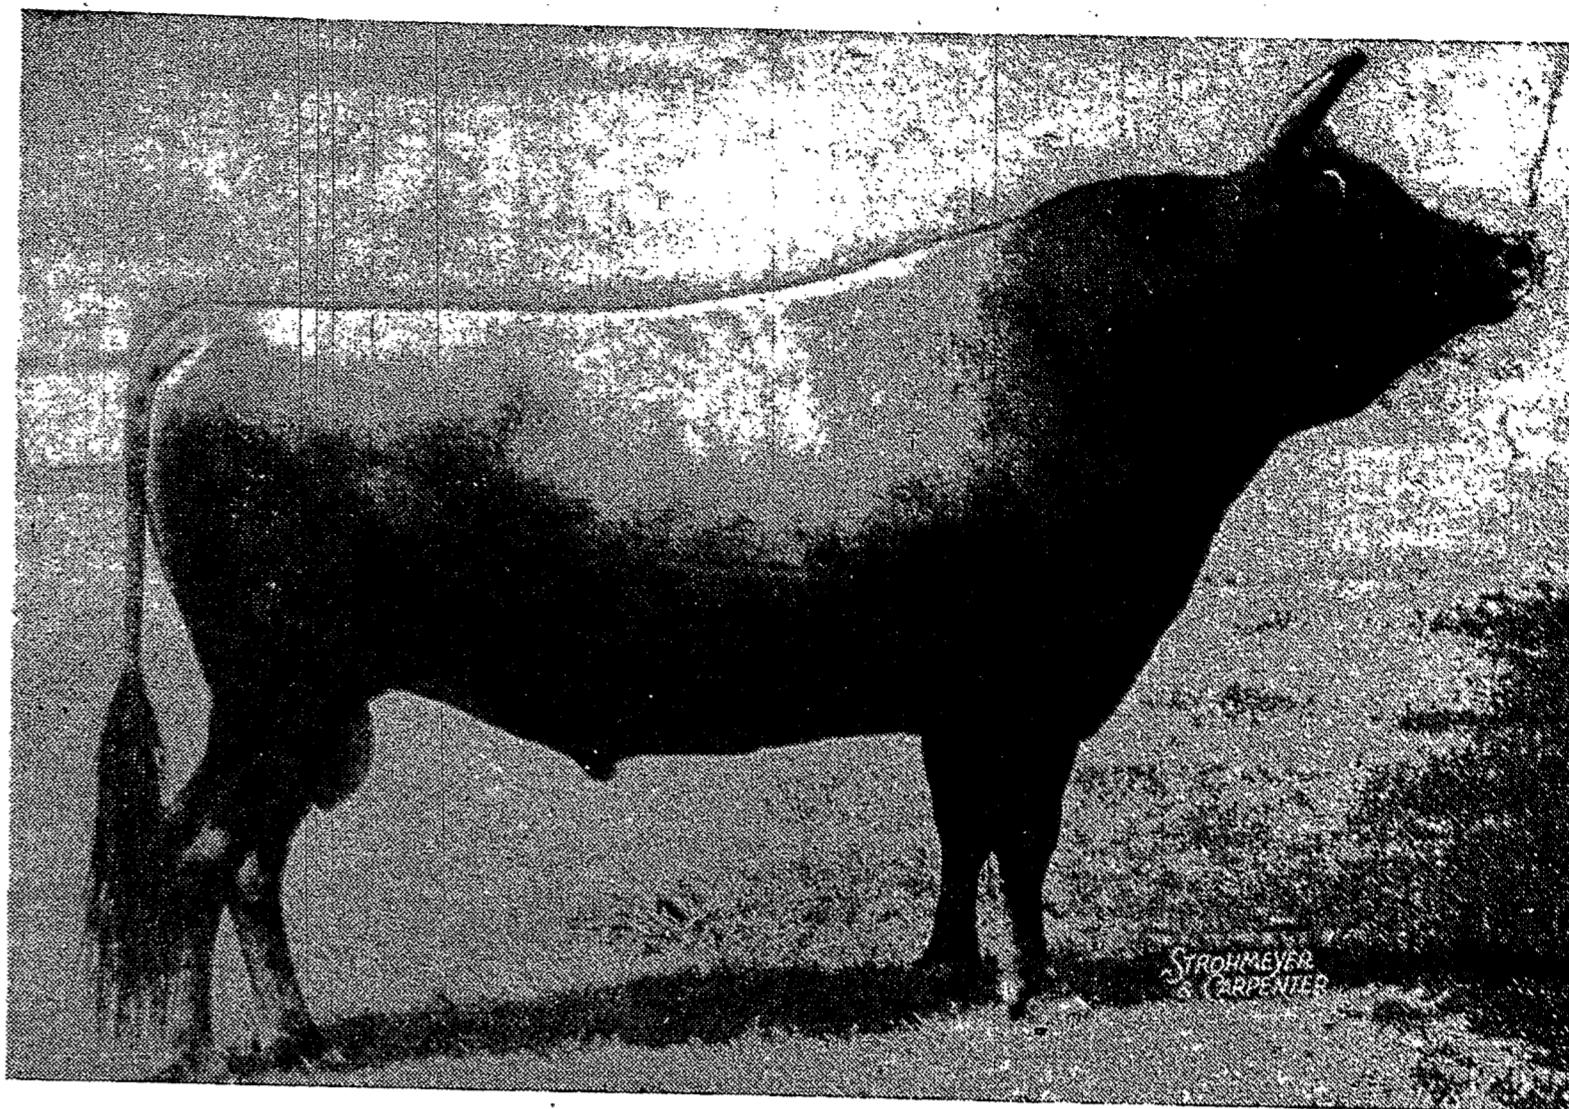

Joseph Lolacano was unanimously elected president and Frank Chiricche was unanimously elected Vice President. These men were the two new officers elected. Manuel Mauri who has served as secretary for the past year was reelected to the office without an opponent as was Steve Benigno, reelected to the office of treasurer. A new office was created—that of Marshal and Joseph Chiricche was elected to the office.

Newly Created Farmers'
Home Administration Now
In Effect

Credit and services to small farmers who previously have borrowed through the Farm Security Administration or the Emergency Crop and Feed Loan Division are being consolidated under the newly created Farmers' Home Administration which went into effect November 1, Silas R. Sinclair, County FSA supervisor announced today.

Offices of the two agencies will be consolidated as soon as possible. During the "interim period" beginning November 1 and lasting possibly into February, FSA personnel will continue to serve borrowers who have obtained annual feed and seed loans. By February it is anticipated that the permanent organization of the new agency will be complete.

Continuing the facilities of both FSA and ECFL the FHA will administer two main types of loans: (1) the farm ownership loan made to small farmers who have been unable to obtain satisfactory credit elsewhere to buy, repair, improve, or enlarge family-type farms. These loans are repayable over a period of forty years at 3 1/2 per cent interest and include farm and home planning services; and (2) production and subsistence loans up to \$3,500 for buying livestock, seed, feed, fertilizer, farm equipment, supplies and other farm needs; for refinancing indebtedness, and for family subsistence, including medical care. This operating credit will be for periods up to 5 years at 5 per cent interest. These loans are similar to the rural

rehabilitation loans previously made by FSA, including supervisory services, and the loans made by Emergency Crop and Loan Division. These loans are made to farmers who have credit elsewhere.

Veterans who served in the United States Armed forces in any war with another nation will have preference for loans. Disabled veterans will be eligible to buy, repair or improve farms adapted to their capacities, provided their farm income plus their pensions will be enough to pay living and operating expenses and retire the debt.

A special condition under which all loans are made requires that if at any time it appears that the borrower may be able to get a similar loan from a cooperative or private credit source, under terms prevailing in the area, and at an interest rate not exceeding 5 per cent, he must apply for such a loan, and if granted, accept it and pay off his debt to the Farmers Home Administration.

I would like to contact all Evangelical Lutheran people living in this community as well as in adjoining towns with the intention of eventually forming a congregation. Please contact

Gulf Coast Housewives Know...

Bond is Better

4 WAYS

Richer in Flavor

Bond is baked the old-fashioned way at the very peak of flavor. Flavor-peak baking gives you a loaf that seals in the delicious flavor of its richer ingredients.

Longer Lasting Freshness

Bond has that straight-from-the-oven flavor, that creamy freshness that makes Bond the family's first choice, whether it's for sandwiches, snacks or meals.

Higher in Food Values

Bond Bread is higher in food value now than ever before. It's a high energy food that satisfies the hungry appetites of youngsters, teen-agers, men and women.

Finer Ingredients

Bond Bread is made of finer ingredients today. It supplies you with vitamin B₁ and B₂, niacin and iron, as well as carbohydrates and proteins. Bond is good to eat and good for you.

Right here on the Gulf Coast, as in many other cities, Bond is the favorite—first choice in a million homes a day. Bond's the favorite for rich flavor and freshness; it's rich in food value because it's made of finer ingredients. Foodwise housewives choose Bond and serve the favorite . . .

Remember Gulf Coast Housewives Prefer Bond

Tremendously!*

The amount of money paid out to furnish you with telephone service is increasing faster than the amount taken in. That's because telephone materials, wages, services, and new building costs have all gone up tremendously, while telephone rates have remained as low or lower than they were many years ago. Telephone earnings today are not only the lowest in history, but are dangerously low despite a record volume of business. Reasonable earnings are required to safeguard the full usefulness of the telephone for your community.

**Officer College Training
Program to Open
January 18, 1947**

The Navy announced today that the first nationwide competitive examination for its Officer College Training Program has been scheduled for January 18, 1947, and will open to high school seniors or graduates within the age requirements. Successful candidates will be given a four-year college education at government expense and will be commissioned officers of the Regular Navy or Marine Corps, or the Reserve, upon graduation. Application forms must be forwarded in time for receipt by December 17.

Students selected by these competitive examinations will be offered entrance in either the Naval Reserve Officers Training Corps

(NROTC) or the Naval Aviation College Program (NACP). Those selecting the former program will attend one of the 52 colleges or universities having NROTC units where they will receive from the government the cost of their tuition, books, and room and board and \$50.00 a month for the four year period of education. Upon graduation, they may be commissioned in the regular Navy and will be required to serve two years on active duty in commission. Upon completion of these two years, they may apply for a permanent commission in the Regular Service or transfer to the Reserve and return to civilian life.

Those selecting the Naval Aviation College Program may go to any accredited university, college or junior college of their choice, providing they are accepted for entrance, and receive the same government benefits. After two years of study they will enter a two-year program of flight training and light duty as midshipmen, after which they will be commissioned as officers and serve a year of flight duty. Upon completion of this duty, they are eligible for a permanent commission in the Regular Navy or Marine Corps and, if accepted, will be sent to a designated school for two years of further professional education with active duty pay. If they do not wish to remain in the Regular Service, they will be given Reserve commissions and released to inactive duty and provided an opportunity

to return to college for two more years with tuition, books, and fees and \$100 a month furnished by the Navy so that they may complete their college education.

Brother Linus, Principal of Saint Stanislaus High School, is acting as the Navy's local civilian representative, and will be pleased to provide specific information about this program including the place of the competitive examination, application forms, and necessary age and scholastic qualifications.

MAGNOLIA MISS CASUALS

Here is news for Mississippi. A brand-new line of excellently styled dresses is ready for distribution. These new fashions will be sold by leading retailers all over the nation and will be modeled personally by "Mrs. America"** in major cities as part of a gigantic style show sponsored by the Sanders Industries.

Magnolia Miss dresses are styled by one of America's leading fashion designers who was trained in France, England and the United States. They are produced by Mississippi's most skillful garment operators, and this new line of Sanders-made dresses will advertise to the nation once more that Mississippi is the new and rapidly growing fashion center of the South.

**Mrs. America of 1946 will be chosen at the City Auditorium in Jackson, Mississippi, November 13th. Contestants from all over the United States will compete at that time for this great honor.

Homecoming Queen Elected

Bay High Star Center Injured
Roland "Caddy" LaFontaine, Jr., who received a spinal injury in the Bay High-Pass Christian game a couple of weeks ago, is now on the road to recovery at the Back Bay to break the tie. The football boys Biloxi Hospital. He is expected to just like the name "Merle"—however it is spelled. The two maids elected were Meryl Radford and "Caddy" who played center for the Tigers. The football body as well as the student body was missed by the whole student body as well as the football squad.

Muriel Manieri won the title of Football Queen in a very close election. In fact the two "Merles" (one of them spells it Meryl; the other Muriel) tied in the race, but the "flip of the coin" gave it to Muriel Manieri after several ballots failed

Bay High School will celebrate Homecoming on Saturday, November

9, with a football game between our own Tigers and the Biloxi Indians, crowning of the queen, and a dance following the game, which will be played at the local stadium. Between halves of the game, the queen and her maids will be introduced. * * *

Hallowe'en

"If witches were in stitches" there'd be no comparison with the howling Hallowe'en night when Myrt and the Heleas threw a Hallowe'en dance at the Ramsey home. Tomcats, slick chicks, sad sacks, and fog hags stole the limelight from the haunted houses and the graveyards so everyone could go "out of this world." The spirits were left in the dark; the hags were: Helen Planos, Myrtle Oliver, Helen Ramsey, Marilyn Johnston, Doris Carriere, Betty Ruth Johnson, Elsie Noto, Barbara Buehler. Stags in rags: Andy Gray, Ronald Carver, Ott Brockman, Lukey Chiniche, J. D. Creel, Jimmie Jones, René Cuevas, Courtney Jordan, Clyde Ladner, Lawrence LaFontaine, Pete Luc, L. G. Tanguis, and Anthony Marengo. * *

Mary Johnston, Margaret Miller, Shirley Ladner, Catherine Garriga, and Muriel Manieri, was a big success. The hostesses had worked hard all the week making ready for this gala affair. Decorations were of blue and gold. Favors were miniature umbrellas for the girls and walking canes for the boys. The young group danced, ate and drank (soft drinks); they enjoyed themselves to the fullest extent.

Those attending were: Misses Gloria Biehl, Charla Russell, Muriel Manieri, Catherine Garriga, Margaret Miller, Joyce Davis, Margaret Ann Murphy, Norma Rhea Wilkerson, Marilyn Rosemary and Juliette Johnston, Shirley Ladner, Mary Casey, and Edward Randolph Grady Parker, Ben Moore, Jimmy McDonald, Pierre Dupaquier, Red Davis, Rod Murphy, Luder Moran, Harlan Dean, Courtney Jordan, René Cuevas, George Benigno, Alvin Ladner, Perre Quintini, Clyde Favre, Teddy Morel, Tommy Hirth, Luke Sciamma, Luke Chinthe, J. D. Creel and Eugene Lee. * * *

On October 31, Helen Sinclair, Bay High drum major, gave a Hallowe'en party at her home on Carroll avenue. Perhaps I should say "gave a party on Carroll avenue," for the group went around the whole neighborhood giving that old line, "Trick or treat," and were treated in most of the homes. According to tradition, the boys took the girls through the graveyard and then left them to the ghosts who dwell there on Hallowe'en.

Then the whole party went back to Helen's house to dance and have refreshments. The gang included Helen Sinclair, Gay Cure, Jean Prichard, Meryl Radford, Lorraine Davis, Lorraine Lott, Frank Quintini, Ott Brockman, Donald Manieri, Andy Gray and Justin Green. * * *

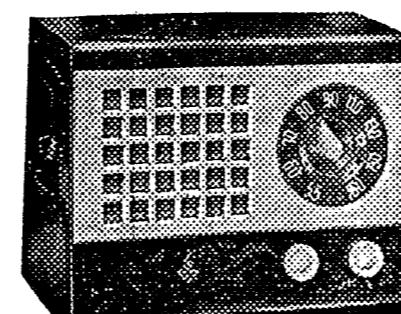

Martin Noto entertained several of his friends with a party at his home Hallowe'en night. Even after feeding the "Trick or Treat" gang, Martin's guests were suffering after eating all the refreshments served. Everyone reported very good time. * * *

After 10 o'clock on Thursday, Oct. 31, the eighth grade was entertained at a Hallowe'en party by Mrs. L. A. Rogers in the Home Economics Department. After the refreshments were served, the boys and girls entertained themselves with games.

We are glad to have Lulu Mae Crawford back in school after her recent illness.

The Agricultural and Industrial Board, working on the plan to Balance Agriculture with Industry, is showing good results. Many towns and small cities of the State have taken advantage of the plan offered and voted to adopt it. The result will be increased payrolls in the state and will also result in using a vast deal of Mississippi raw material and converting it into the finished products with fine financial results for the state. Mr. Barksdale, Mr. Davis and others backing the movement are doing good work for the state.

Veterans' News

Veterans Administration hospitals in the Southwest have been equipped with the newest type of portable aluminum "lungs" in a move to reduce the threat of poliomyelitis (infantile paralysis.)

A modern adaptation of the "iron lung," the lighter respirator can be used in an airplane, automobile or train as well as in a hospital. Dr. Lee D. Cady, VA's medical director in the Southwest, said.

Dr. Cary said a patient can sit up, lie down, or even walk about in his room while wearing the new device, which covers only the chest.

While its chief use will be for polio victims, the aluminum lung can be used for artificial respiration in several other types of medical emergencies.

QUESTIONS AND ANSWERS

Q. Is a Veteran eligible for readjustment allowance benefit if he settles in Canada or Hawaii?

A. Residence in the United States or territories or possessions is a definite eligibility requirement for readjustment allowances. Veterans living in Canada are not eligible. Veterans living in Hawaii are eligible if they meet all other eligibility requirements.

Q. I obtained a G. I. loan on which the Government guaranteed was \$2,500. Recently I lost my job and would like to know if I'm eligible for unemployment compensation provided in the G. I. Bill?

A. The fact that you obtained a G. I. loan does not affect your eligibility for readjustment allowance. You may receive them if you meet the requirements specified by law.

Q. My son has been pursuing a course of training under the G. I. Bill, but finds that he can't afford to continue and support himself and his family. Can he terminate his course at any time without notifying Veterans Administration?

A. A veteran should not quit his course of education or training without notifying or obtaining the approval of the Veterans Administration regional office handling his claim. This is necessary so that he will be qualified for further training.

JUNIOR STATE GUARD OFFICERS ELECTED

The election of the officers of the Junior State Guard was held on October 22, in the Bay High Auditorium. Coach Smith and Mr. G. F. Rooney, who are in charge of the Company, presided over the meeting. Names were submitted for nomination, and from these the boys voted for their new leaders. The following were elected officers: Frank Quintini, Jr., Company Commander; Eugene Luc, 1st Lieutenant; J. D. Creel, 2nd Lieutenant; Justin Green, 1st Sergeant; Ott Brockman, Sergeant; Rene Cuevas, Sergeant; and LaFontaine, Chaplain's Aide; Ludger Moran, Bugle Boy; Lukey Chiniche, Orderly.

The Company Commander and the officers fully realize the vital position that the efficiency of any company depends chiefly upon its members. Full scale training programs include gunnery drills, first-aid, marching, target practice, manual of arms drill, and lectures given by State Guard Officers from Jackson.

Meeting every Tuesday and Thursday the fourth period should give the company time to get organized. The Junior State Guard had thirty members and would like more enlistments.

Wooden guns that were used last year will be used again this year, until they are replaced with regular army Springfield rifles.

Coach Smith, who is a veteran of World War II, is a very capable man to be in charge of the company and is proving himself to be just the man for the job. He is now trying to get the boys who are new in the outfit familiar with close order drill and the manual of arms.

Most of the boys seem to like the outfit and are trying to learn more about it by asking all sorts of questions. The veterans can and will answer, if possible, any questions that the boys might have on their minds.

Elected Football Queen

Miss Merle Manieri was elected Football Queen for the 1946-47 session at the recent meeting of the Bay High Athletic group. Miss Manieri has been cheerleader for the team this session.

The House That Jack Built

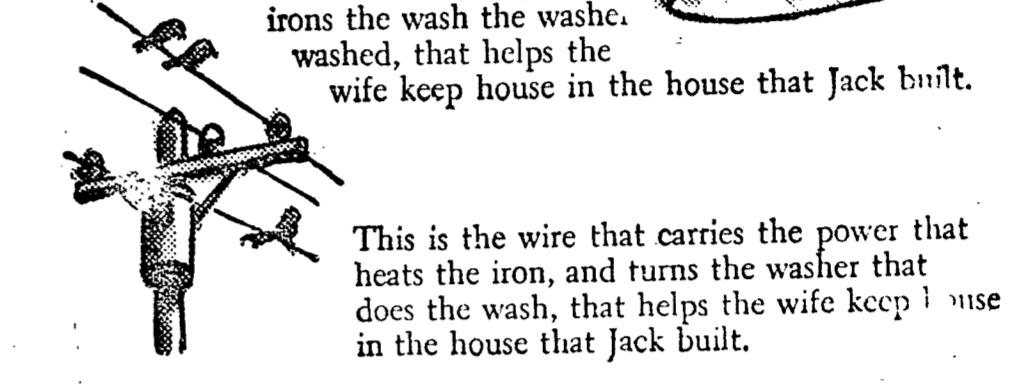

This is the house that Jack built.

This is the wife that keeps house in the house that Jack built.

This is the washer that does the wash that helps the wife keep house in the house that Jack built.

This is the iron that irons the wash that helps the wife keep house in the house that Jack built.

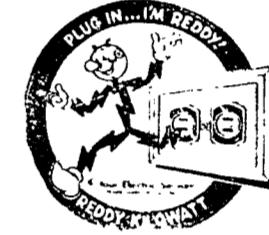

This is the wire that carries the power that heats the iron, and turns the washer that does the wash, that helps the wife keep house in the house that Jack built.

THIS is the story of better living—of electric living—in Jack's house. The tale could go on endlessly. For electricity is a servant of many talents, of which washing and ironing are but two.

The electric power that helps Jack's wife is always ready, dependable, available in any quantity at any time. And Jack doesn't need much jack to pay the bill.

This is the company that strings the wires and makes the power that gives the Jack and countless families like them all the comforts and convenience of electric living.

BAY HIGH BAND ORGANIZES '46-'47

Ever since the Bay High Band was begun in 1938, it has been an activity of the students, for the students.

A secretary was not elected as we have a multiplicity of typists in the band and will use the one that is.

The band doesn't have many activities at this time of the year; our

main job is playing for all the home football games. The only concert

planned so far is the joint concert

band as follows: Clarinets, with the Stanislaus Band.

After a year of hard work the annual band contest in Jackson, If we do as well as we hope to and get two superiors, the band will then go to the National Band Contest.

The orchestra is working hard and expects to have one of the best

dance bands on the coast. They are

expecting a lot of engagements, especially near the end of school.

They have already played two engagements: One at the Veterans

Home at Gulfport, and the P. T. A. Dance in the Bay High gym.

—Mr. and Mrs. Gus Tempel had as their guest Mr. and Mrs. Van Whitfield of Mobile, Alabama, on Saturday.

—Misses Joan and Margie Elliott, Mr. and Mrs. Russell Elliott and Pfc. James Tappin were guests of Mr. and Mrs. Dan B. Haggerty and Mr. and Mrs. Luke S. Elliott in New Orleans, over the week end.

—Many friends of Mrs. Ida Ploue will be pleased to know that she is rapidly recovering from an operation. She is now at home and will be happy to see her friends.

—Dr. and Mrs. J. A. Evans have had a message from their son James A. Evans, Jr., that he has reached the states from Manila and will be honorably discharged at Los Angeles and will be home as soon as it is humanly possible for him to reach here.

—Mrs. Norvin Penrose, the former Miss Helen Chapman, is still in the Baptist Hospital in New Orleans but is showing a little improvement. Mrs. Penrose had been moved to the home of Mr. and Mrs. Clem Penrose, Jr., in New Orleans but it became necessary for her to be returned to the hospital a week ago.

—Master Sergeant Edgar Perre, U. S. Marines, stationed in Chicago, is spending a fifteen day leave here with his parents Mr. and Mrs. Emile Perre and family. He will be transferred at the end of his leave to Camp LeJeune, North Carolina.

—Mr. and Mrs. George Stevenson and Miss Carol Stevenson attended the wedding of Mr. Stevenson's niece Miss Doris Coman who was married Wednesday evening, Nov. 6 at 7 o'clock in New Orleans, to Mr. J. A. Reidinger of New Orleans. Miss Stevenson was one of the bridesmaids.

—Raymond Carrio has been confined to his home for the past week as a result of an infected wisdom tooth. He has suffered very much and had not only the services of a dentist but a physician as well. At this writing he is reported improved.

—Mr. and Mrs. A. R. Veazey of Lafayette, La., and Mr. and Mrs. J. V. LeBlanc of New Iberia, La., were guests here for a week of Mr. Veazey's brother-in-law and sister-in-law, and Mrs. Luther Ansley. The three couples left at the end of the week for a trip through Florida. They visited Jacksonville, Daytona Beach, Orlando, St. Augustine and came back by way of Silver Springs, Appalachia and Panama City.

—While visiting the Oceanic Aquarium at Marine Land Mr. Ansley was surprised by meeting his cousin, Hewlett Ansley and Mrs. Ansley of Birmingham which added much to the almost perfect trip. Mr. and Mrs. Ansley though loud in their praises of Florida had recommended this as an ideal trip they are glad to be back in Bay St. Louis which is their choice of an ideal place to live.

GIVES HALLOWEEN PARTY

—On Hallowe'en night Miss Patricia Stone and Mr. Edmund Fahey III, gave a Hallowe'en Costume party for their friends on Carroll avenue.

—After playing games, bobbing for apples, and spooking, the youngsters were presented horns and miniature pumpkins.

CARD OF THANKS

—We, the family of the late Sylvanus (Bobie) Moran, take this means of expressing our sincere and heartfelt thanks to our many friends for their acts of kindness and sympathy shown upon the sudden death of our beloved husband and father also for the numerous floral offerings. They shall have our everlasting gratitude.

Sincerely,

WIFE AND SON

FAMILY DINNER

—Mr. and Mrs. Joseph O. Mauffray entertained at a family dinner at their home on Sunday on the occasion of Mr. Mauffray's 76th birthday.

—There were Mr. and Mrs. Curry Garner and little daughters of McDridian; Mrs. Joan Dematatis and two children; Mr. and Mrs. Alden Mauffray and son Larry and Miss Elsa

Mauffray.

—Congratulations are offered our general friend who has passed his three score and ten and is quite active and always has a smile and a joke which always merits a laugh. His many friends wish him a lot more happy birthdays.

—

ENTERTAIN FOURTH GRADE

AT BAY HIGH

—On last Wednesday afternoon the pupils of the 4th grade were given a Hallowe'en party by the grade mothers. Hallowe'en stories were told and several games played, with Edward Ellis Cox winning the prize for pinning the nose on the pumpkin.

—Popsicles and chewing gum were served all the pupils at the end of the party.

—The grade mothers were Mrs. Sain Whiffield, Mrs. J. R. Shadoin, Mrs. Manuel Maurigi and Mrs. C. C. Stone.

—

ENJOY TRUCK RIDE

—A group of young people enjoyed a Hallowe'en truck ride on Thursday evening and it needless to say that there was joy unrestrained because Hallowe'en is always youth's free night and whatever they do is accepted. The older generation enjoyed wagon rides and were just as gay and noisy as the youth of today.

—

Those enjoying the ride were Patricia Gex, Jane Blair, Rita Mae Scalfide, Clyde Creighton, Charlene Burns, Jackie Quintin, Joy Staria, Ray Steffel, Charles Kiefer, Wallace Burns, Phil Kergosien, Norton Haas, Carl Johnston and Dickie Curran.

—

HALLOWEEN PARTY

AT SPOOK ALLEY

—The members of the small study Hall at St. Stanislaus had their annual visit from the Spooks on October 30th inviting them to a party on the following evening, which was held at Spook Alley, up in the Stanislaus gym. What grim horrors awaited the boys on Hallowe'en night. First you had to touch a ghostly white corpse, then attempt to talk to those spirits of the past, only to find yourself "floured up" like one of them . . . New you are only at the entrance of Spook Alley, for you had to pass your spirit jumping test from the top of the shakiest ladders on the campus.
